Unless limited by a condition set forth below, the export, reexport or transfer (in-country) authorized by this license is for the item(s), end-use(s), and parties described in the license application and any letters of explanation. The applicant is responsible for informing the other parties identified on the license, such as ultimate consignees and end-users, of the license's scope and of the specific conditions applicable to them. BIS has granted this license in reliance on representations the applicant made in the license application, letters of explanation, and other documents submitted.

The Export Administration Regulations require you to take the following actions when exporting under the authority of this license.

- A. Record the Export Control Classification Number in the block provided in the Automated Export System (AES).
- B. Record your validated License Number in the block provided by AES.
- C. Place a Destination Control Statement on all commercial invoices for shipments of items on the Commerce Control List.

**CONDITIONS:**

1.

Items subject to the EAR and within the scope of this license may not be reexported or transferred (in-country) unless such reexport or in-country transfer is (i) authorized by this license, or another license or other approval issued by the U.S. Government; (ii) authorized by a license exception or other authorization under the Export Administration Regulations (EAR); or (iii) to a destination, end user, and end use that would be "NLR" (No License Required) under the EAR.

2.

A.) Automobiles/vehicles may not be sold/leased to Cuban government entities.

The following conditions apply only to the agricultural commodities:

B.) If your export is a donation or a commercial sample, no contract is required. You may make shipments that have been authorized for export by this license only if the shipments are made within 12 months of the validation date of this license.

C.) If your export is a commercial sale, you must have a signed contract prior to shipping any of the agricultural commodities you have been authorized to export by this license. (1) If you already have a signed contract, you must ship the agricultural commodities that have been authorized for export by this license and that are the subject of your contract within 12 months of the signing of the contract. (2) If you do not yet have a signed contract, you must sign a contract prior to export. In addition: (i) you must sign a contract within 12 months of the validation date of this license, and (ii) you may make shipments of agricultural commodities that have been authorized for export by this license and that are the subject of your contract only if the shipments are made within 12 months of the signing of the contract. No shipments may be made pursuant to this license later than 24 months after the validation date.
