The Surety shall not be liable for any transportation-related activities of the Principal after the expiration of the 30-day period but such termination shall not affect the liability of the Principal and Surety for any event occurring prior to the date when said termination becomes effective.

The Surety consents to be sued directly in respect of any bona fide claim owed by Principal for damages, reparations or penalties arising from the transportation-related activities under the Shipping Act of Principal in the event that such legal liability has not been discharged by the Principal or Surety after a claimant has obtained a final judgment (after appeal, if any) against the Principal from a United States Federal or State Court of competent jurisdiction and has complied with the procedures for collecting on such a judgment pursuant to 46 CFR 515.23, the Federal Maritime Commission, or where all parties and claimants otherwise mutually consent, from a foreign court, or where such claimant has become entitled to payment of a specified sum by virtue of a compromise settlement agreement made with the Principal and/or Surety pursuant to 46 CFR 515.23, whereby, upon payment of the agreed sum, the Surety is to be fully, irrevocably and unconditionally discharged from all further liability to such claimant; provided, however, that Surety's total obligation hereunder shall not exceed the amount set forth in 46 CFR 515.21, as applicable.

The underwriting Surety will promptly notify the Director, Bureau of Certification and Licensing, Federal Maritime Commission, Washington, DC. 20573, in writing by mail or email (bcl@fmc.gov), of all claims made, lawsuits filed, judgments rendered, and payments made against this bond.
