The Export Administration Regulations require you to take the following actions when exporting under the authority of this license.

- A. Record the Export Control Classification Number in the block provided in the Automated Export System (AES).
- B. Record your validated License Number in the block provided by AES.
- C. Place a Destination Control Statement on all commercial invoices for shipments of items on the Commerce Control List.

CONDITIONS:

1.
Items subject to the EAR and within the scope of this license may not be reexported or transferred (in-country) unless such reexport or in-country transfer is (i) authorized by this license, or another license or other approval issued by the U.S. Government; (ii) authorized by a license exception or other authorization under the Export Administration Regulations (EAR); or (iii) to a destination, end user, and end use that would be "NLR" (No License Required) under the EAR.
2.
 - A.) The items must be used to meet the needs of the Cuban people.
 - B.) The items may not be used to enable or facilitate the export of goods or services from Cuba that primarily generate revenue for the Cuban government.
 - C.) State-owned enterprises, agencies, and other organizations of the Cuban Government that are intermediate consignees or ultimate consignees or purchasers must provide the items for the end use and benefit of the Cuban people.
 - D.) The end users are authorized as intermediate consignees for the purpose of distributing the items to the Cuban people.

For agricultural products:

- E.) If your export is a donation or a commercial sample, no contract is required. You may make shipments that have been authorized for export by this license only if the shipments are made within 12 months of the validation date of this license.
- F.) If your export is a commercial sale, you must have a signed contract prior to shipping any of the agricultural commodities you have been authorized to export by this license. (1) If you already have a signed contract, you must ship the agricultural commodities that have been authorized for export by this license and that are the subject of your contract within 12 months of the signing of the contract. (2) If you do not yet have a signed contract, you must sign a contract prior to export. In addition: (i) you must sign a contract within 12 months of the validation date of this license, and (ii) you may make shipments of agricultural commodities that have been authorized for export by this license and that are the subject of your contract only if the shipments are made within 12 months of the signing of the contract. No shipments may be made pursuant to this license later than 24 months after the validation date.
